

# ANAGENNESIS NEWS!!!

The Ladies Society is an organization of our Church for our devoted and energetic women. There is a service of love for church and community. We concentrate on religious, cultural, and humanitarian efforts in their activities. We are the very heart of the Church. The society is open to all women who are members of the parish.

BUT AGAIN, WE NEED YOUR HELP!!!!!!

Calling for all your favorite recipes. We would like to begin to include a recipe each month in this newsletter. Why not share your family favorites with us? You can send them to [caroldionis@gmail.com](mailto:caroldionis@gmail.com) or to [cmoufarge@comcast.net](mailto:cmoufarge@comcast.net). If this is successful perhaps we can publish our own recipe book OR update the older one.

Why is this recipe a favorite of yours? Is there a special story that goes along with this? Maybe you have photos of the finished product that you can include.

How about lending a hand and teaching a group of us how to make this favorite dish of yours?

Don't forget: *My Big Fat Greek Wedding 3* comes out September 8, 2023, with one of our own young men starring in it -- Elias Kacavas, son of John and Mindy Kacavas and grandson of our very own Betty Kacavas.

We wish him continued success in his acting career.
